HONDA KAHMOTOR

STEP INTO YOUR SPACE.

The STEP WGN Spada e:HEV makes a lasting impression with its upright stance, refined surfaces, and signature LED Headlight styling. Crafted to turn heads and engineered for everyday confidence, its exterior is designed to be both striking and smart.

Auto LED Headlights
Bright, stylish lights for better visibility day or night.

Dual Power Sliding Doors
Easy access with Electrostatic Touch-Sensitive sensor, plus remote control for hands-free rear entry.

Power Tailgate
One-touch opening for easy loading.

Smart Keyless Entry
Unlocks automatically with a simple touch.

17" Alloy Wheels
Lightweight wheels with a bold, premium look.

Specifications may vary from the model(s) shown.

DRIVE SMART, TRAVEL SAFE.

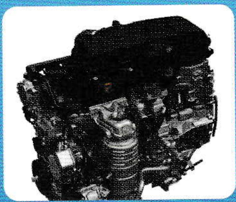
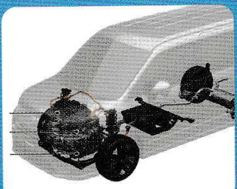
PERFORMANCE

The STEP WGN Spada e:HEV is engineered for a smooth and responsive experience with every turn. From urban agility to long-distance comfort, this MPV delivers reliable power, precision control, and intelligent tech for everyday performance.

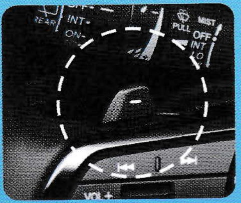
Shift-By-Wire Gear Selector
Sleek, intuitive shifter for smooth gear control.



2.0L DOHC i-VTEC® Engine
Delivers strong, responsive performance with quiet efficiency.

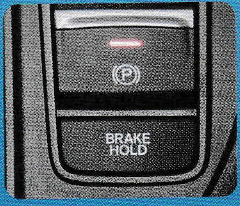


Self-Charging e:HEV Powertrain
Seamlessly switches drive modes to balance power and fuel economy — no plug-in needed.



Deceleration Selectors
Manually control regenerative braking for a smoother, more engaged drive.

10.2" TFT Multi Information Display
Crisp, customizable screen with all your key driving info.



Electric parking brake with brake hold
Engage and hold brakes effortlessly with the push of a button.

SAFETY & SECURITY

Safety in the STEP WGN Spada e:HEV begins with robust structural design and expands into systems that actively and passively protect every passenger. Thoughtfully integrated to handle the unexpected.

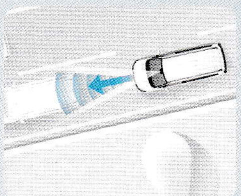
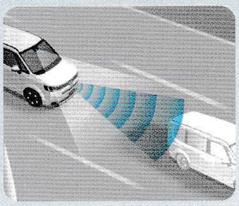
Honda SENSING

Equipped with Honda SENSING, the STEP WGN Spada e:HEV takes family protection to the next level. This comprehensive suite of smart driver-assist technologies works constantly to keep your journey safe and stress-free.



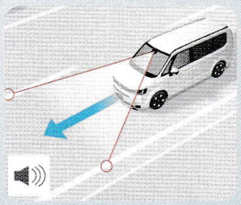
Adaptive Cruise Control (ACC) with Low-Speed Follow (LSF)

Keeps a safe distance from the car ahead — even in stop-and-go traffic.



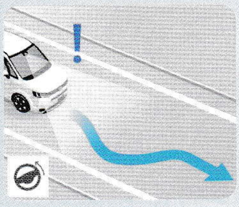
Collision Mitigation Braking System (CMBS)

Applies brakes if a frontal collision is likely.



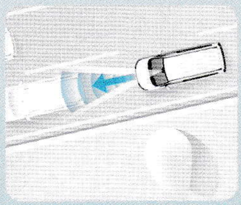
Lane Keeping Assist System (LKAS)

Gently steers to keep you centered in your lane.



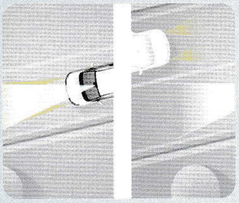
Road Departure Mitigation System (RDMS)

Helps prevent accidental road departure by steering and braking support.



Traffic Jam Assist (TJA)

Reduces stress in traffic by controlling speed and lane position.



Auto High Beam

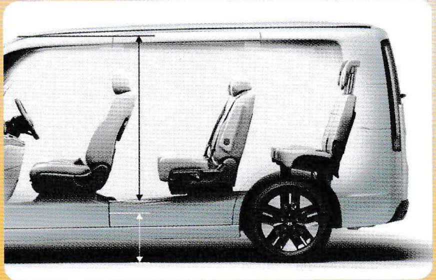
Automatically switches between high and low beams for optimal night visibility.

Specifications may vary from the model(s) shown.

BUILT FOR EVERYDAY EASE

Designed for dynamic lifestyles and growing families, the STEP WGN Spada e:HEV delivers exceptional cabin flexibility, intuitive convenience, and utility that adapts to you.

4-Way Movable Ottoman Captain Seats
Slide, recline, and relax with cushioned armrests for premium comfort.



Low Side Floor Loading
Easy step-in height for passengers of all ages.

Assorted Cup Holders
Convenient drink storage for every seat.

Chargers in All 3 Rows
Stay powered with USB ports accessible from every row.

FLEXIBLE SEATING ARRANGEMENT

Whether you're transporting a bicycle, a surfboard, luggage, or just enjoying a laid-back ride, the STEP WGN's interior adapts with ease.

The 4-way movable captain seats provide adjustable comfort in the second row, while the 60/40 split-folding third-row seats allow for various cargo and passenger combinations.

Flatten the seats for full-length loading, recline for rest, or configure for maximum storage—every seat moves to fit your lifestyle.

Rear Cabin Height
Spacious headroom for a comfortable ride in every row.

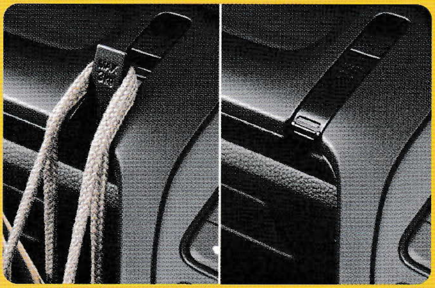
Tri-Zone Air Con with PM2.5 Filter
Individual climate control and cleaner air for every passenger.

Dashboard Storage
Smart compartments for your everyday essentials.



Pop-Up Hooks
Secure bags or small items with built-in utility hooks.

Rear Low Floor and Rear Boot Height Access
Low and wide boot makes loading large items effortless.

Seat Back Table
Flip down a table for snacks, devices, or work on the go.

Specifications may vary from the model(s) shown.

INTELLIGENT HYBRID SOLUTION

The STEP WGN Spada e:HEV's advanced hybrid system ensures the right drive mode is always in play. Whether it's smooth urban cruising, acceleration for overtaking, or fuel-efficient highway travel, the e:HEV seamlessly transitions to suit your drive.

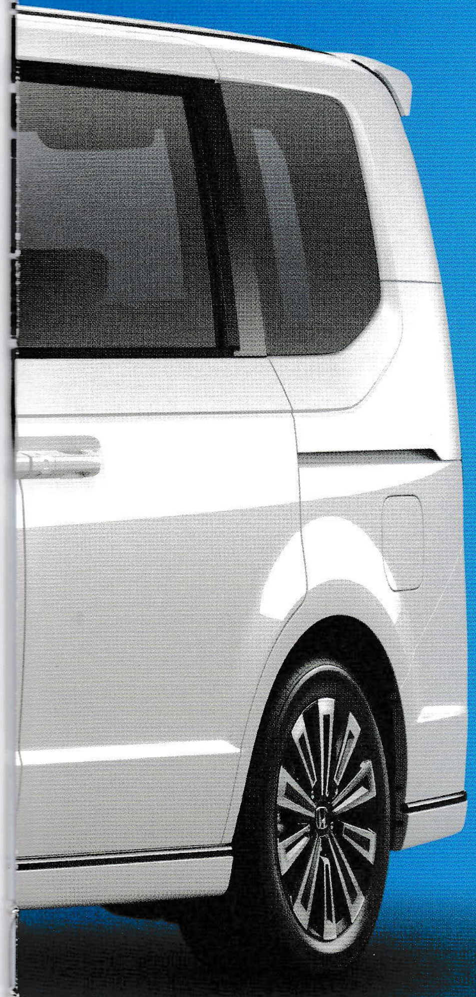
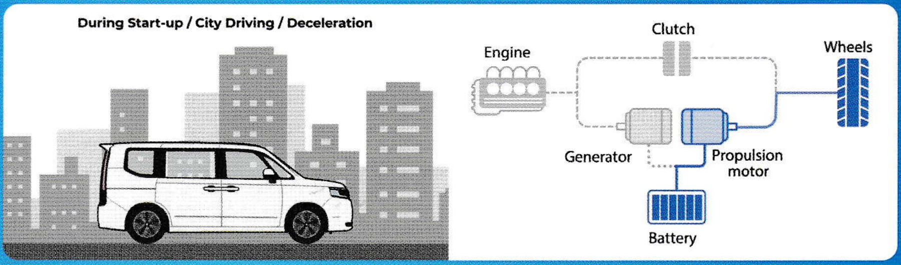
DYNAMIC HYBRID EFFICIENCY

The powertrain combines a 2.0L Atkinson-cycle engine with twin electric motors and a lithium-ion battery. This delivers optimal output for both everyday commutes and long-distance adventures—without compromising on fuel efficiency.



ELECTRIC VEHICLE (EV) DRIVE MODE

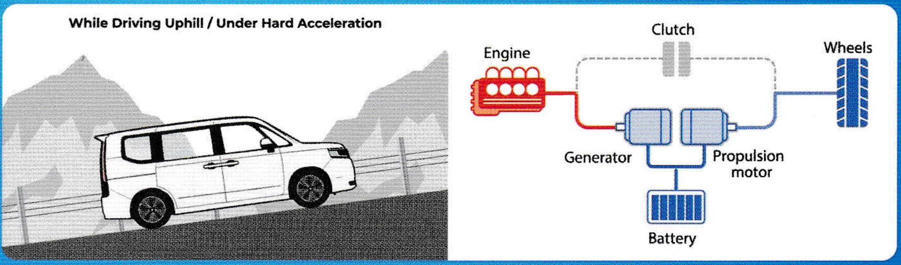
The vehicle is powered solely by the electric motor using energy from the battery. This enables a quiet, smooth, and zero-emission drive. Ideal for short trips, stop-and-go traffic, or low-speed city cruising.



During Start-up / City Driving / Deceleration
Clutch
Engine
Wheels
Generator
Propulsion motor
Battery

HYBRID DRIVE MODE

The engine operates as a generator while the electric motor powers the wheels. This balance delivers strong acceleration and driving excitement while optimizing fuel efficiency.



While Driving Uphill / Under Hard Acceleration
